This meeting will be hosted and chaired from the Town of Essex Municipal Building. Due to the ongoing COVID-19 pandemic and the Essex Municipal Building not being open to the public at this time, this meeting can only be viewed by the public electronically via livestream on YouTube.

This meeting is being held for the purpose of Council having a roundtable discussion on various Development Services matters in the Town of Essex. As part of this meeting, it is expected that Council will move by resolution into a Committee of the Whole format which is the entire membership of Council but now sitting as a Committee in a less formal format without strict adherence to the usual procedural rules that govern Council meetings. While sitting as a Committee of the Whole no formal actions can be taken as the Committee can only make recommendations that would still need to be introduced, considered and adopted as part of a formal Council meeting.
