Recommendation(s)

1. That the following three (3) members of the Drainage Board: Dan Boudreau, Percy Dufour and Luke Martin be appointed to sit as members of the Court of Revision to be convened for the Shepley Drain: Replacement Bridges for Elwood Defour and Garry and Bonnie Quick, Geographic Township of Colchester South, Project REI2018D024, pursuant to the Report prepared by Gerard Rood, Professional Engineer, Rood Engineering Inc. and dated October 17, 2019 (hereinafter the "Report"), such Court of Revision to be scheduled for 5:00pm on January 15, 2019 in the Town of Essex, Council Chambers, 33 Talbot Street South, Essex; and
2. That By-law 1871 being a by-law to provide for the Shepley Drain: Replacement Bridges for Elwood Defour and Garry and Bonnie Quick, be read a first and second time and be provisionally adopted on December 16, 2019.

Purpose

A Court of Revision is required in accordance with Section 46 of the Drainage Act, R.S.O. 1990, Chapter D. 17, as amended 2010 (hereinafter the "Drainage Act").

Background and Discussion

Rood Engineering was instructed by the Town of Essex on or about June 12, 2018 to prepare a report for the above Shepley Drain: Replacement Bridges for Elwood Defour and Garry and Bonnie Quick, pursuant to Section 78 of the Drainage Act.

On October 17, 2019 the Report was prepared by Rood Engineering Inc. to provide the details, estimates and assessments therein.

A Consideration Meeting for this Report was held on November 12, 2019. At this meeting the Drainage Board received public correspondence/delegations and heard the various concerns or comments made by those who attended. At this meeting the Drainage Board resolved and recommended that the said Report be adopted and that a provisional By-Law be prepared for Council's consideration (see Drainage Board minutes from the November 12, 2019 consideration meeting, which minutes are included under Item 12 of the December 16, 2019 Regular Council Meeting Agenda).

Appointment of Court of Revision Members:

The Court of Revision is to be comprised of three (3) members of the Drainage Board and so accordingly it is recommended that Court of Revision members when required to be convened shall be appointed on a rotating, alphabetical order basis. If an appointed member is not available then that appointed member shall be replaced by the next available member of the Drainage Board (based on the aforementioned rotating, alphabetical order basis).

It is therefore recommended that Dan Boudreau, Percy Dufour and Luke Martin be selected and appointed to sit as the Town of Essex members of the Shepley Drain: Replacement Bridges for Elwood Defour and Garry and Bonnie Quick.

It is further recommended that By-law 1871 adopting the recommendations in the Rood Engineering Report dated October 17, 2019 be provisionally adopted so that said Report can proceed to the Court of Revision specified in this report.

The Court of Revision is the next step in the process in accordance with Section 46 of the Drainage Act, R.S.O. 1990, Chapter D. 17, as amended 2010.
