WHATS NOT TO LOVE?

### FLAVORWAVE

We have this cool contraption on the side of the truck called a Flavorwave. It allows you to put your own flavors on! Choose all ten or just go with one - it's YOUR choice! And it's something you can ONLY find on a Kona truck!

### SMART SNACK

Kona Ice has a tradition of providing healthy, school approved products. Our low calorie Vita-Blend contains 40% less sugar, and the powerful antioxidants, Vitamins C & D. These antioxidants will boost immunity and help keep you ready to play.

### GIVEBACK

We give back millions of dollars each and every year. We can fundraise in any way you could possibly imagine. Just tell us where to park and who to make the cheque out to. We can serve up to 500 kids per hour.
