## POLICY UPDATE

---

AMO has released its [pre-budget submission](#), calling on the provincial government to sit down with municipalities and work together on a joint review of municipal finance, including a detailed analysis of Ontario's infrastructure investment and service delivery needs.

The full pre-budget submission builds on the ongoing discussions AMO has been leading across the province around the stability and sustainability of municipal finances, including a [presentation](#) on the plenary stage at the 2024 ROMA Conference.

We need *your* help.

Municipal councils are encouraged to support AMO's ongoing advocacy efforts by:

- Highlighting the need for this review when meetings with local MPPs and community members, using key messages included in [AMO's pre-budget backgrounder](#).
- Passing a [council resolution](#) at your next meeting, calling on the province to commit to this review in its upcoming provincial budget
- Sharing your support with local media channels using [our news release template and social media messaging](#)
