My name is Trudy Flynn and I am the Chair of Fibromyalgia Association Canada (FAC).

Thank you very much for participating in FAC's Illumination/Proclamation campaign in previous years by providing a proclamation declaring May 12th as Fibromyalgia Awareness Day in the township of Essex. The campaign has been ongoing since 2022 and FAC hopes you will continue your participation in 2024. May 12, 2024 is the 32nd anniversary of Fibromyalgia Awareness Day as recognized by the World Health Organization (WHO). I am contacting you to ask if you would provide a proclamation in recognition of the 2-4% of Canadians living with fibromyalgia. That is almost 2 million Canadians who have been diagnosed with fibromyalgia. There are still many more Canadians waiting to be diagnosed or who are not counted in these numbers because they have another primary condition, such as cancer, cardiac issues, etc.

Thank you for helping FAC raise awareness of fibromyalgia.
