- **Description of Organization / Proclamation**

Every year, VON Week provides an opportunity to raise our profile in the communities we serve, recognize and celebrate the people who help us do what we do (VON staff, volunteers, community partners and other supporters), and celebrate the work VON does within the healthcare system. Our collective efforts to bring care, well-being, and support to those who need us most are what makes VON what it is today—an organization bound by purpose to make a meaningful difference in the lives of those we serve.

VON Week celebrates all that we have achieved and how we will impact the sector going forward. Now is the time to proudly say that we are key contributors to an efficient healthcare system. But no one person does it alone. Our connectedness is our success. Staff, volunteers, clients, families, community partners, sector colleagues, funders, and donors. Together, we make lives better. We are connected by purpose. Connected with purpose.
