## Purpose

To proclaim June as “Recreation and Parks Month” for the Town of Essex.

## Background and Discussion

June is Recreation and Park Month (JRPM) is a movement that promotes the benefits of recreation and parks for physical, social, and environmental health. Communities across Ontario have embraced JRPM as a way to promote local programs and events, parks and facilities that are available for all citizens to enjoy.

Access to park and recreation is a fundamental human need that helps foster personal health, **strong communities, and social inclusion. JRPM celebrates Ontario's spectacular parks and** recreation services and raises awareness for the role they play as a pathway to individual, community, and environmental well-being.

The Town of Essex has participated in the province wide initiative of proclaiming June as Recreation and Parks month since 2007 and has offered programs in all areas of the community throughout the month. The Town of Essex Community Services Department will be again offering several free exciting programs and activities in 2024 promoting active and healthy participation.

## Financial Impact

There is no financial impact. Free activities are included in annual planned budgets and are also funded by partnerships with Windsor-Essex Communities In Motion and Pathway 2 Potential.
