Hello Mayor and Members of Council,

Our names are Addisyn Walker and Darragh Aston. We are grade 8 students from Anderdon PS. We would like to present to Essex Town Council to consider a town wide ban on single use plastics. We would actually like to see the elimination of single use plastics in all of Essex County, the province and the country. We have done research that focuses on the impact of single-use plastics on the environment. Due to the negative impact of single-use plastics, we must ban them immediately. Our presentation (talk and power-point) explains how re-usable items are more cost effective, animals are being harmed by single use plastics and their break down in the eco systems, the negative impact of plastics on humans and how many places have already banned plastic products. We have already presented to GECDSB (Greater Essex County District School Board), Kingsville and Amherstburg Town Councils. The councils all received the message positively and have agreed to ban them at council and/or conduct feasibility studies on banning single use plastics town/board wide. Thank you for the opportunity! Mrs. Nolin our Eco teacher would also like to attend in support of us.
