The Coaches Association of Ontario is an independent, non-profit, coach-led organization, founded in 2002, that strengthens development opportunities and provides resources, representation and recognition for coaches in all sports of all levels. We believe coaches' contributions should be financed and rewarded appropriately, and the Coaches Association of Ontario advocates that sports and the coaching profession continue in a culture of innovation, continual renewal and professional development.

National Coaches Week encourages Canadians to say #ThanksCoach and celebrate the tremendous positive impact coaches have on athletes and communities. This week will focus on putting a spotlight on coaches and give this, largely volunteer, integral part of Canadian sport a thanks.

With events held across the province and country to celebrate coaching, National Coaches Week provides coaches with the recognition they deserve for the time they devote to ensuring Canadians live an active, healthy lifestyle. Throughout the week, communities all across Ontario will be showing their support for coaches through community events, proclamations and lightings to celebrate and recognize coaches. For more information on our organization and the 10th annual National Coaches week initiative, please visit www.coachesontario.ca/coachesweek.
