- **Please provide a brief summary of your experience and why you are interested in serving as a Youth Council Member for the Town of Essex..**

I have been interested in politics at all levels for as long as I can remember. In 2023, I served as an Ontario Legislative Page at Queen's Park. This program afforded me the opportunity to attend regular classes designed to educate on all levels of the political system. I gained valuable insight from my experience on the House Chamber floor along with my conversations with various MPP's representing all parties. I have also volunteered my time to multiple

Federal Election Campaigns to broaden my understanding of the process involved for an effective campaign. I have been interested in this position since I have become aware of it. Becoming a Youth Council Member for the Town of Essex has become a goal of mine. Being a lifelong resident of Essex, this is where my heart is. Regardless of what my future holds, Essex will always be home. I would be incredibly honoured to be considered for the opportunity to represent the Town of Essex as a Youth Council Member.  
Regards,  
Cole Foster
