Hello Rodney, Janice & Beth,

After careful consideration I have decided to resign from my position as chair of the EAAC and my position on the committee as a member at large. We have had some changes in our household which at the moment require my full attention and on top of my other commitments I just don't have the capacity to give the committee the time and energy it deserves. Please feel free to reach out if you have any questions.

Thank you for your understanding,
