33 Talbot St S
Essex, ON N8M 1A8

Dear Mr. Morassut,

We are pleased to present you with the enclosed certificate of accessibility in connection with our accessibility acknowledgment program ALGO, which stands for Assisted Living Goes Out.

At ALSO, our mission is simple: To be change makers towards equality, diversity, and accessibility. We envision a day when people with physical disabilities fully participate in all aspects of community life as the norm and not the exception. Unfortunately, the road to get there is anything but simple. We are committed to advocating for change to systemic issues that persons living with disabilities encounter.

Our ALGO program aims to acknowledge and celebrate those in our community who align with our goals. As a recipient of the ALGO award, we are honored to feature and promote Colchester Beach on our social media platforms.

ALSO is a not-for-profit organization in Windsor, that provides an array of services to people with physical disabilities in Windsor Essex County. At any given time, we have an excess of 1100 people over the age of 18 on our client list and unfortunately what seems to be an infinite waitlist. We hope that advocating for our clients provides a sense of inclusion and provides opportunities to build relationships within our community.

If you have any questions or would like to learn more about ALSO, or the different ways we can partner accessibility in our area, please feel free to contact me directly.

On behalf of ALSO, thank you for doing the right thing and providing a barrier-free space for all.

Sincerely,

A handwritten signature in blue ink that reads "NBussieres".
