Yes

- **The Committee may either meet in person or virtually via teleconferencing technology. Would you be able to attend both in person and/or virtual meetings?**

Yes

- **What is (or was) your occupation?**

retired nurse, retired Developmental Social worker. Certified brain injury specialist through Brock University

- **Please tell us about your interest in serving on this Committee. What do you hope to contribute, and how would you support the Committee?**

After retiring from WEDCSB, due some health issues, I've been looking for ways to help people and the community. I feel my background and management experience might be helpful to this committee.

- **Please tell us about your community involvement and employment background, including any skills and experience relevant to this position. What were your roles and responsibilities?**

-London -

-Community Activity Program - Day program for individuals that had aged out of school. duties included
Amherstburg - ResCare - in home and group home. Executive Director

- **Please describe any other training, experience, or qualifications you have that you feel would benefit the Committee:**

I love working with a team and feel i do my best work when inspiring or being inspired by people. I feel have a good knowledge of some of the barriers in our environment and love to brainstorm and come up with ideas

- **What are three areas related to increasing accessibility and inclusion that the Town of Essex Accessibility Advisory Committee should focus on during the 2022-2026 term?**

I believe the best way to increase accessibility is to listen to the individuals that need better accessibility. No one knows more than these individuals how we are doing on this. As well as for inclusion. Mental health is a huge issue and we would want everyone to feel included and that they can approach this committee if anyone see an issue.

- **What is your understanding of the Accessibility for Ontarians with Disability Act (AODA)? How do you think the Town of Essex Accessibility Advisory Committee can support the Town in implementing the standards laid out in the AODA?**

I know a little of it. I know we while working with ResCare we needed to follow the Act to be sure we were up to code our Group Home on Lowes Side road. The Committee could aid the Town by following the Act and informing the Town of any issues or concerns.

- **Do you identify as a person with a disability or disabilities?**

No

April 2003 - Retired September 2023

As an Educational Assistant with RPN, I worked with medically fragile and Special Needs kids.

ResCare Premier/Anagram Premier- Amherstburg — Team Leader/Program Director

September 1998 - February 2003 At which time the company closed in windsor

At ResCare, I worked with clients with Catastrophic brain injuries in their home and in the community. My responsibilities included but not limited to, helping them with any of their personal physical needs as well as assisting with running of their household while encouraging as much independence as possible. I also revamped medication policy and procedures. I was promoted to Program Director and ran a Brain Injury Group Home as well as the In Home settings for people. While there I completed a diploma in Brain injury Specialist at Brock University

Community Living London / Community Living London - Developmental social worker.

April 1987 - september 1993

Here I worked with a team to help teach Activities of Daily Living to a group of adult individuals with Special Needs. I worked with Psychologists, General Practice Doctors and Family members to help the individuals live a productive and safe life for them. While here I was responsible for all their needs during the day including medication, physio and OT. We also went on several outings to access the community.

In September of 1993 I moved to Windsor as my husband was relocated. Further job related information is available.
