Dear Members of Council,

I am writing as a resident and member of our local community to express my strong support for **retaining the pickleball court at Lake Crest Beach.**

Pickleball has quickly become a cherished activity for people of all ages in our community. The court at Lake Crest Beach has offered a welcoming, accessible, and active space where residents can gather, stay healthy, and build meaningful social connections. It has particularly benefited seniors, families, and those seeking outdoor recreation close to home.

Removing this court would not only take away a **valuable amenity** but also reduce the community's opportunities for active living and inclusive engagement. The court has been used respectfully and in the spirit of community, and I believe its continued presence enhances the overall value and vitality of Lake Crest Beach.

I urge you to consider the **many voices in the community** who appreciate and benefit from this resource, and to take action to preserve the court for current and future residents.

Thank you for your attention and for your continued commitment to supporting recreation and wellness in our municipality.

Sincerely,
Stephen Monkhouse
