That Council proclaim the month of October as National Disability Employment Awareness Month in the Town of Essex by adopting the following resolution:

Whereas, Light it Up! For NDEAM® spotlights the many ways people who have a disability contribute to businesses and their communities, demonstrating how disability inclusion in employment can drive success and competitiveness; and

Whereas, Light it Up! For NDEAM® is the main event of Ontario Disability Employment Network (“ODEN”) and is a national movement celebrating its fifth anniversary with a one-night coordinated special lighting event which occurs on the third Thursday of every October; and

Whereas, in 2024, over 800 locations in almost 200 communities across Canada illuminated in purple and blue. This nationwide collaboration involves ODEN, the Canadian Association for Supported Employment, MentorAbility Canada, the federal government, municipal and provincial governments, Jobs Ability Canada, and many community-based agencies. It is this collective effort that makes "Light It Up! For NDEAM®" a powerful event in big cities, small towns, and rural communities from coast to coast; and

Whereas, the Town of Essex encourages local business and community members to participate by illuminating key landmarks in purple and blue.

Therefore, I, Sherry Bondy, Mayor of the Town of Essex, do hereby proclaim the month of October as National Disability Employment Awareness Month and invite businesses to participate in the national event to further celebrate workplace accomplishments of people with disabilities across Essex County on October 16, 2025 for Light it Up! 13.2.4 Windsor-Essex County Health Unit Board of Health

RE: Strengthening Coordination of Provincial and Federal Dental Programs

R25-10-459

Moved By Deputy Mayor Shepley

Seconded By Councillor Verbeek

That the correspondence from Windsor-Essex County Health Unit regarding strengthening coordination of provincial and federal dental programs be received and supported; and

That a letter from the Town of Essex be sent to the Honourable Sylvia Jones, Minister of Health, Windsor-Essex County Health Unit, Andrew Dowie, MPP, Windsor-Essex, Trevor Jones, MPP, Chatham-Kent-Leamington, Lisa Gretzky, MPP, Windsor West, Anthony Leardi, MPP, Essex and Chris Lewis, M.P, Essex Riding.

Whereas, oral health is a critical component of overall health and well-being, and access to dental care remains a significant barrier for many low-income individuals and families in Windsor-Essex and across Ontario;

Whereas, the Government of Canada has launched the Canadian Dental Care Plan (CDCP) to expand access to dental services for uninsured Canadians with low and middle incomes; and

Whereas, the Province of Ontario administers several dental and social assistance programs, including Healthy Smiles Ontario (HSO), the Ontario Disability Support Program (ODSP), and Ontario Works (OW), which also provide dental benefits to eligible populations;

Whereas, the current coordination of benefits between the CDCP and Ontario's programs is evolving, and clear, consistent, and integrated processes are essential to avoid duplication, ensure continuity of care, and reduce confusion for clients and providers; and

Whereas, local public health units, including the Windsor-Essex County Health Unit, play a vital role in delivering oral health services and supporting vulnerable populations;

Now therefore be it resolved that the Board of Health for the Windsor-Essex County Health Unit urges all levels of government to continue to improve the coordination between CDCP and Ontario's dental and social assistance programs to ensure seamless access to oral health treatment when needed;

Further That the Province of Ontario provide clear guidance and streamlined administrative processes to social service organizations, oral health providers, and other healthcare providers to support navigation of the available support programs and eliminates delays in accessing oral health care;

Further That the Province of Ontario provide a time-limited exemption which temporally waives the requirement to utilize CDCP as the primary payer for emergency dental treatment for those who are not currently enrolled in the program until such time that enrollment can occur; and

Further That, the Government of Canada and Province of Ontario provide additional support to social services to ensure those experiencing homelessness or who may have experienced challenges in filing tax returns are able to do so and in so doing become eligible for oral health services and a multitude of other social supports; and
