Subject: Request for Tues Feb 17 Agenda

Again under new business ...

I've recently been notified that the Town no longer installs signs along our roadways to warn drivers of Autistic children in particular neighbourhoods. I'd like to have a discussion on this to determine why and how this change came about. I don't remember there being a discussion to advise council of the change. Does this include roadway signs for deaf and blind as well? What about deer crossings or turtle crossings?

If this is not allowed under New Business I would furthermore request a notice of motion in regard to a report from administration on this subject.

Thanks

Richard
