Thank you for your email regarding the Old School House in Colchester. Feedback from residents is vital to council making the correct decision for our community.

Can I ask the clerk to include your email as part of the public agenda January 18th? Also please make sure you watch the Dec 21st council meeting on You Tube - Essex Ontario. Follow the file Jan 18th on you tube as well.

Hello Council Members:

As a resident of Colchester, I would like to express my concern about the proposed plans for the Old School House and the lack of transparency on how this moved forward without public consultation.

Why was this not brought forward as a public opportunity for other potential buyers to bid on.

How did council decide that we need additional short term rentals?

Why aren't we looking at this as an opportunity to promote the rich history of this region and consider using it for a museum or something to honour our ancestors?

Where was the consultation?

I hope that Council will be prepared to answer these questions at the upcoming meeting.
