Dear Mayor and Council,

Since its establishment in 2024, the Town of Essex Affordable Housing Task Force (AHTF) has been making progress towards a Draft Affordable Housing Strategy for Council's future consideration. The AHTF recognizes one strategy to addressing financial barriers to building and maintaining affordable residential units is through grant programs at all levels of government, including municipal.

The AHTF supports Town Council's desire to investigate options into Affordable Housing Subsidies to assist non-profit organizations that supply, maintain, and operate affordable residential units in the Town of Essex, particularly where such subsidies can facilitate larger provincial or federal grant applications for existing affordable residential units in need of repairs.

While the AHTF recognizes that an integrated approach and strategy to addressing affordable housing shortages will foster long term community well-being and social inclusion, there is an immediate opportunity and need to support existing non-profit affordable housing providers.

Thank you for your consideration.

Yours truly,

The Town of Essex Affordable Housing Task Force
