Theme: "Become a Crime Stopper / Keeping Your Community Safe / See Something – Say Something"

The foundation of Crime Stoppers is the partnership between the community, law enforcement, and the media. Together, we work to educate the public and create awareness about illegal activities in an effort to promote safety and reduce crime across our communities.

This year's theme encourages Canadians to take an active role in community safety — by speaking up and sharing information anonymously when they "See Something."

Crime Stoppers is built on Canadian values of safety, empowerment, and inclusion. Creating awareness and mobilizing communities to report suspicious or criminal activity requires a strong network of partners working together toward a common goal: a safer community for all.

Programs across the country are invited to tailor this year's theme to reflect their local initiatives while keeping the focus on our shared mission — building safer communities through trust, cooperation, and anonymity.
