Thank you for your email regarding the Old School House in Colchester. Feedback from residents is vital to council making the correct decision for our community.

Can I ask the clerk to include your email as part of the public agenda January 18th? Also please make sure you watch the Dec 21st council meeting on You Tube - Essex Ontario. Follow the file Jan 18th on you tube as well.

As a resident I would like to see the old school house preserved and possibly something the community can use. There are more than enough short term rentals in our area and increasing traffic that is turning this small village into a busy hub. I do understand that change is the future but not at the cost of the community. The only reason we reside here is that it is a small and quiet community with very few issues and while I get that the property is now considered a surplus property, I also believe it should be available to any party to bid on it. I hope that our mayor and this current council consider this decision whole heartedly and take the villages best interest to heart.

Thanks  
C.major
