The provincial emergency that was declared on January 12, 2021 under s. 7.0.1 of the EMCPA will expire at 11:59 p.m. on February 9, 2021.

Orders made under the EMCPA can continue in effect after the declared emergency has terminated. Orders can be further extended for up to 14 days at a time but cannot be amended.

All of the [orders](#) currently in effect under the EMCPA will remain in effect until the date noted below, unless they are revoked or extended further by that date:

Amendments to [O. Reg. 11/21 \(Stay-At-Home Order\)](#) and [O. Reg. 13/21 \(Residential Evictions\)](#) under the EMCPA

Effective February 10, 2021 at 12:01 a.m.:

- O. Reg. 11/21 will only apply to public health units (PHUs) for which a PHU-specific order indicates that O. Reg. 11/21 applies to that PHU.
- O. Reg. 13/21 will only apply where O. Reg. 11/21 applies.

As of February 10, 2021, O. Reg. 11/21 and O. Reg. 13/21 will apply to all Ontario PHUs, with exception to the following three PHUs which will move into the Green Zone of Stage 3:

- Hastings and Prince Edward Counties Health Unit
- Kingston, Frontenac and Lennox and Addington Health Unit
- Renfrew County and District Health Unit

All PHUs not listed above will remain subject to the conditions of O. Reg. 11/21 and O. Reg. 13/21 until they are revoked and assigned to a new zone within the *COVID-19 Response Roadmap: Keeping Ontario Safe and Open Framework* (Framework) through new PHU-specific orders.

- For Toronto, Peel Region and York Region, it is proposed that the Stay-at-Home and Residential Evictions Orders will continue to apply until February 22, 2021.
- For the remaining 28 PHUs, it is proposed that these orders will only continue to apply until February 16, 2021.

Decisions to move PHUs to new zones per the Framework will be made in consultation with local medical officers of health and will be subject to ongoing review of trends in public health indicators and advice of the Chief Medical Officer of Health (CMOH).

[Amendments to O. Reg. 363/20 \(Stages of Reopening\)](#) under the ROA

All PHUs are currently in the Grey Zone under O. Reg. 363/20.

Effective February 10, 2021 at 12:01 a.m., O. Reg. 363/20 will be amended to:

- Move the following three PHU regions into the **Green Zone**.
 - Hastings and Prince Edward Counties Health Unit
 - Kingston, Frontenac and Lennox and Addington Health Unit
 - Renfrew County and District Health Unit

- Divide what is currently the “Grey Zone” into two separate zones:
 - A **Grey (Shutdown) Zone**, in which the requirements that currently apply to all PHUs will continue, subject to the changes described below;
 - All PHUs except the three noted above will be assigned to this zone.
 - A **Grey (Lockdown) Zone**, in which the requirements are similar to the rules that applied to the Grey Zone immediately before December 26, 2020 – they are somewhat less stringent compared to the Shutdown Zone but are still more restrictive than the Red Zone.

The following table outlines zones for public health measures, including refinements to the Grey Zone.

Colour Category	PHU Notes (as of 12:01am, February 10, 2021)
Green – Prevent <i>(Standard Measures)</i>	1. Hastings and Prince Edward Counties Health Unit 2. Kingston, Frontenac and Lennox and Addington Health Unit 3. Renfrew County and District Health Unit

Orange – Restrict <i>(Intermediate Measures)</i>	N/A
Red – Control <i>(Stringent Measures)</i>	N/A
Grey – Lockdown <i>(Restrictive Measures like pre-December 26)</i>	N/A
Grey – Shutdown <i>(Continuation of current shutdown measures)</i>	All other PHUs

Amendments to Stage Orders under the ROA

Effective February 10, 2021, at 12:01 a.m., all stage orders will be amended to require individuals to wear face coverings and maintain physical distance when indoors in a business, with limited exceptions, and to wear face coverings when attending an organized public event or gathering permitted under the regulations, if they are within a 2 metre distance of another individual who is not part of their household. All other restrictions to gatherings and organized public events will be maintained.

As noted above, only three PHUs will move into the Green Zone while all others will remain in what is being re-named the Shutdown Zone.

Changes to the rules for the Green Zone, as well as changes to the rules for PHUs who will remain in what will now be called the Shutdown Zone, are summarized below. Changes to other Zones will be communicated separately in future ACMs, once PHUs begin to move back to those Zones.

Changes to Shutdown Zone – [Amendments to O. Reg. 82/20](#) (Rules for Areas in Stage 1)

- Effective February 10, 2021 at 12:01 a.m., O. Reg. 82/20 will be amended to create two distinct zones, the “Shutdown Zone” and the “Grey Zone” (also known as Grey-Lockdown).
- The “Shutdown Zone” rules are the rules that currently apply to all PHUs and will continue to apply to most PHUs, subject to the changes set out below.

- The following changes will be made to the “Shutdown Zone” rules effective February 10, 2021:
 - i. Any business or organization may operate remotely for the purpose of making goods available for pick-up as well the other purposes for which a business could previously have operated remotely.

 - vi. An amendment has been made to clarify that communal steam rooms, saunas or whirlpools must be closed, along with other indoor recreation facilities, at hotels, motels, lodges, cabins, cottages, resorts and other shared rental accommodation, and at marinas, boating clubs and other organizations that maintain docking facilities for members or patrons.

Ongoing Enforcement Efforts

With respect to enforcement, there are no changes to police or other provincial offences officers’ authorities, including the ability to compel individuals to identify themselves when the officer has reasonable and probable grounds to believe they are not complying with an EMCPA order, ROA order or order under s. 22 of the *Health Protection and Promotion Act* (HPPA) relating to COVID-19. Police and other provincial offences officers may continue to lay charges or issue tickets for non-compliance with orders under the ROA or EMCPA, or HPPA s. 22 orders made by medical officers of health. The ability to enforce s. 22 orders under the HPPA will not affect the ability of police or other provincial officers to lay charges or issue tickets in relation to orders under the ROA or EMCPA as long as they remain in effect.

The ministry recognizes that provincewide, police services are continuing to work together with local enforcement partners to implement targeted local campaigns to reinforce the public health requirements under the EMCPA and ROA. Continued close collaboration and communication between enforcement personnel and public health officials will be critical to ensure effective localized responses that correspond with local risk levels, rules and restrictions.

The 1-800 Enforcement Support Line (1-866-389-7638) and dedicated enforcement email address (EssentialWorkplacesSupport.SolGen@ontario.ca) are intended to provide guidance to policing personnel and other enforcement personnel in relation to the enforcement of provincial orders.

The ministry will continue to work with partner enforcement ministries and municipalities to support collaboration and information sharing, including through the dedicated Enforcement 1-800 Line and email resource. We will also continue to analyze the enforcement data that police services provide to us to help inform data-driven decision-making.

As always, thank you for your continued efforts to help keep our communities safe and healthy.

Sincerely,
