Recommendation(s)

The following two (2) recommendations are provided for the Council's consideration:

- That Community Services Report 2021-001 entitled "Town of Essex Flag and Half-Masting Protocol Policy" be received, and further
- That Council adopt the Town of Essex Flag and Half-Mast Protocol Policy as presented in Appendix "A" of Community Service Report 2021-001.

Purpose

To have Council adopt a flag and half-masting protocol that establishes a uniform and harmonized protocol and procedure for the raising, displaying, half-masting, replacing, and disposing of all flags at all properties and facilities owned and operated by the Town of Essex and at events conducted by the Town at other locations

Background and Discussion

The Corporation of the Town of Essex recognizes that flags are important symbols that increase public awareness of special events, activities and historical commemorations, and as such is committed to displaying flags on Town sites in a consistent and appropriate manner within an established protocol.

To ensure the proper protocols are followed when flying flags on Town owned property Administration has established a formal policy for all Town owned properties that have flags on site. (Appendix A)
