

**MEMORANDUM TO:** All Chiefs of Police and  
Commissioner Thomas Carrique  
Chairs, Police Services Boards

**FROM:** Richard Stubbings  
Assistant Deputy Minister  
Public Safety Division

**SUBJECT:** **Amendments to Orders under the *Reopening Ontario  
(A Flexible Response to COVID-19) Act, 2020***

<b>DATE OF ISSUE:</b>	<b>March 23, 2021</b>
<b>CLASSIFICATION:</b>	<b>General Information</b>
<b>RETENTION:</b>	<b>Indefinite</b>
<b>INDEX NO.:</b>	<b>21-0038</b>
<b>PRIORITY:</b>	<b>High</b>

I am writing to advise of further amendments to orders under the *Reopening Ontario (A Flexible Response to COVID-19) Act, 2020* (ROA).

**Amendments to Rules for Areas in Stage 1 (O. Reg. 82/20)**

Effective March 15, 2021, amendments to the rules for the Grey-Lockdown Zone will change the number of persons permitted to gather for the purpose of a wedding, a funeral or a religious service, rite or ceremony (e.g., a wedding ceremony) to no more than 15 percent of the capacity of any particular room in a building or structure while attending an indoor gathering, and no more than 50 persons if the gathering is held outdoors. Indoor social gatherings, including social gatherings associated with a wedding, a funeral or a religious service, rite or ceremony (e.g., wedding receptions), continued to be prohibited in the Grey-Lockdown Zone. Outdoor social gatherings continue to be subject to a maximum limit of 10 people in this zone.

In addition, while indoor dining continues to be prohibited for the Grey-Lockdown Zone, effective March 20, 2021, outdoor dining will be permitted, subject to physical distancing rules and a number of other public health and workplace safety measures specified in the amending regulation ([O. Reg. 216/21](#)). This includes, but is not limited to, the number of patrons permitted to be seated together at a table for outdoor dining (which is limited to members of the same household, a member of the one other household who lives alone, or a caregiver of any member of either household), and the requirement for

the establishment to post a sign in a location visible to the public that states the maximum capacity they are permitted to operate under.

### **Amendments to Rules for Areas in Stage 2 (O. Reg. 263/20)**

Effective March 20, 2021, the capacity limits for restaurants and other food and drink establishments in the Red Zone are adjusted to allow for up to 50 percent of the maximum patron capacity (calculated by dividing the total square metres of indoor dining area accessible to the public by 2 and rounding down), subject to physical distancing rules, to a maximum total occupancy of 50 patrons, instead of 10 patrons. Furthermore, a sign must be posted by the establishment in a location visible to the public that states the maximum capacity they are permitted to operate under. The number of patrons permitted to be seated together at a table for indoor dining is limited to members of the same household, a member of the one other household who lives alone, or a caregiver of any member of either household. For further information, please refer to the amending regulation ([O. Reg. 217/21](#)).

### **Amendments to Rules for Areas in Stage 3 (O. Reg. 364/20)**

Effective March 20, 2021, amendments to the rules for restaurants and other food and drink establishments for the Yellow Zone will allow more than Six (6) people to sit together at a table in the establishment if they are all members of the same household, a member of one other household who lives alone, or a caregiver for any member of either household.

Further amendments adjust the capacity limits for restaurants and other food and drink establishments in the Orange Zone to allow for up to 50 percent of the maximum patron capacity (calculated by dividing the total square metres of indoor dining area accessible to the public by 2 and rounding down), subject to physical distancing rules, to a maximum total occupancy of 100 patrons, instead of 50 patrons. Furthermore, a sign must be posted by the establishment in a location visible to the public that states the maximum capacity they are permitted to operate under. While there is no longer a maximum number of patrons per table, the number of patrons permitted to be seated together at a table for indoor dining is limited to members of the same household, a member of the one other household who lives alone, or a caregiver of any member of either household. For further information, please refer to the amending regulation ([O. Reg. 218/21](#)).

### **Amendments to Stages of Reopening (O. Reg. 363/20)**

Effective March 22, 2021, the following further amendments will be made to O. Reg. 363/20:

Peel Regional Health Unit</li> <li>4. Sudbury and District Health Unit</li> <li>5. Thunder Bay District Health Unit</li> </ol>
<b>Shutdown</b> (Most restrictive measures)	None

Future decisions to move Public Health Units (PHUs) to new zones per the Framework will be made in consultation with local medical officers of health and will be subject to ongoing review of trends in public health indicators and advice of the Chief Medical

Officer of Health. For further information, please refer to the amending regulation ([O. Reg. 215/21](#)).

### **Revoked Orders under the *Emergency Management and Civil Protections Act***

Additionally, as of March 8, 2021, the Stay-at-Home Order (O. Reg. 11/21), Residential Evictions Order (O. Reg. 13/21) and all the associated PHU-specific orders that caused the former two orders to apply to individual PHUs under the *Emergency Management and Civil Protection Act* (EMCPA) have been revoked.

### **Ongoing Enforcement Efforts**

Orders currently in force under the ROA have been extended until April 20, 2021. In addition, emergency orders currently in force under the EMCPA have been extended until April 5, 2021, which includes O. Reg. 8/21 (Enforcement of COVID-19 Measures) and O. Reg. 55/21 (Compliance Orders for Retirement Homes).

The ministry continues to work with enforcement ministries and municipalities to collaborate and information share, including through the dedicated 1-800 Enforcement Support Line and email resource. Analysis of enforcement data that your police service provides to the ministry continues to support data-driven decision-making.

Provincewide, police services are working together with local enforcement partners to implement local compliance campaigns and to reinforce public health requirements under the EMCPA and ROA. Continued collaboration and communication among local enforcement personnel and public health officials remains critical to ensuring that localized responses are effective and correspond with local risk levels, rules and restrictions.

Thank you once again for your continued efforts to help keep our communities safe and healthy.

Sincerely,

A handwritten signature in black ink, appearing to read 'R. Stubbings', is positioned above the printed name.

Richard Stubbings  
Assistant Deputy Minister  
Public Safety Division
