7.2 David Cassidy, Fitness Fury

RE: COVID-19 Lockdown

David Cassidy, owner, Fitness Fury, spoke about the ongoing COVID-19 restrictions. Mr. Cassidy noted that the numbers have been down in Windsor-Essex County and felt that the area has been doing their part. He said that his business has been closed for 8 months and the lockdown is impacting our community with small businesses suffering.

Mr. Cassidy asked if Council would support small businesses by writing a letter of support.

R21-04-117

Moved By Councillor Verbeek

Seconded By Councillor Garon

That the presentation by David Cassidy be received, and

That the Town of Essex calls upon the Ontario Government, and all local and Provincial health officials to immediately bring to an end the devastation that is occurring to our small businesses and allow our small businesses to remain open to in-store sales but with limited capacity (such capacities being proportionate to the size of the business) and with increased safety measures in place as appropriate;

And that the Town of Essex calls upon the Ontario Government and all local and Provincial health officials to recognize and alleviate the unfair impacts a province wide shutdown has on our local small businesses when there are many other regions in the Province that have significantly higher COVID-19 rates/cases than those of Windsor-Essex County; and that the Town further asks our local and Provincial health officials to continue to provide even more detailed local data to support and demonstrate the fact that the Windsor-Essex region should not have the same restrictions imposed as in other regions throughout the province with much higher cases.

And further the Town of Essex makes this call upon the Ontario Government and all local and Provincial health officials in recognition of the fact that most importantly it is the individual, the people behind our small businesses who, together with others in our community, are suffering as a result of the current shutdown. While it is vitally important to take all reasonable measures to combat the spread of COVID-19 it is equally important to recognize and take steps to protect the mental health of all Ontarians who are suffering at this time and respectfully our small businesses in the Windsor-Essex region are suffering greatly and so we again call on the Ontario Government and all local and Provincial health officials to recognize and alleviate the unfair impacts a province wide shutdown is continuing to have on our local small businesses.

And that finally, this resolution be sent with a request for support to the Province, local and provincial Health Authorities, our local M.P.P. and all local municipalities.
