Dear Mayor and Council Members:

First off, we would like to thank each of you for your time at the council meeting Monday night. Second, we would like to extend an invitation to all of you. We invite you to come for a drive out to our little community on the 6th concession. We think it's important that you experience the peace and tranquility that we are fighting for, that we are asking you to fight for. You can see for yourself the numerous storage containers that Victor Anber houses, how unsightly they are and how they just do not fit the landscape our rural neighborhood. Come see our yards, see our views, see what we see every time we drive by and see what Steve, Stephanie, Rick and Sheila see when they look out their patio door. Please feel free to stop in to chat further, we welcome you to our home.

We would like to request that this, and our previous letter be entered as public record.
