Chair Perry Basden thanked member Kokovai for all of the hard work and research he did putting together the memorandum on barn quilts.

Richard would like to see the Town put together a program / package on how to construct and display barn quilts. There would be cultural and economic benefits for the Town and Richard would be available to assist with it. Chair, Perry Basden, advised it would involve more than just the Town promoting it, but rather taking leadership to create a package educating residents on construction.

6.13.2 Discussion regarding Community Engagement for Barn Quilt Construction

An annual competition for barn quilt construction may engage the community. The entries and winners could be displayed at the Harrow Fair, which would also educate and promote barn quilts.
