I nominate my mom who is always helping her community. She had taken in 3 sets of refugees from Ukraine and helped them start a new life here. It was a huge sacrifice having to financially support these families, as well as drive them to get SIN, Passports and HC's. She cooked for them and gave them a safe and loving home as they recovered from the bombing back home, thus allowing them to begin again. She always goes above and beyond for others and never thinks about herself.

She supports the Harrow Food Bank by providing food. She is always helping Wings Rehab with donations and food. She supports local groups by providing empties towards their financial needs.

My mom never thinks about herself, but helps the community in so many different ways without every needing praise. She believes when you help, you do so quietly. This just makes her the extra special person she is.

I believe you is a great candidate for this award.

Thank you in advance.
